PETITIONING THE COURT

To incorporate the violations contained in this petition in future proceedings with the violations previously reported to the Court on 10/20/2023.

On August 17, 2023, conditions of supervision were reviewed with Mr. Angel. He signed his judgment acknowledging an understanding of his conditions of supervision.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

9

Special Condition #6: You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: Mr. Angel is considered to be in violation of his supervised release condition by consuming a controlled substance, methamphetamine, on or about November 5, 2023.

On November 7, 2023, Mr. Angel submitted a urine sample at the U.S. Probation Office that was presumptive positive for methamphetamine. Mr. Angel admitted his use verbally and completed the drug use admission form indicating he last used on November 5, 2023.

Special Condition #6: You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: Mr. Angel is considered to be in violation of his supervised release condition by consuming a controlled substance, marijuana, on or about November 5, 2023.

On November 7, 2023, Mr. Angel submitted a urine sample at the U.S. Probation Office that was presumptive positive for marijuana. Mr. Angel admitted his use verbally and completed the drug use admission form indicating he last used on November 5, 2023. On November 13, 2023, the lab report confirmed the urine sample was positive for marijuana.

11

Special Condition #6: You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: Mr. Angel is considered to be in violation of his supervised release condition by consuming a controlled substance, methamphetamine, on or about November 9, 2023.

On November 9, 2023, the undersigned officer spoke with staff at Serenity Point Counseling Services and was informed that Mr. Angel submitted to a urine sample on November 9, 2023, that was presumptive positive for methamphetamine. The urine sample was sent to their contracted laboratory and results are still pending.

12

Special Condition #6: You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: Mr. Angel is considered to be in violation of his term of supervised release by failing to report for drug testing as required on or about November 13, 2023.

On November 14, 2023, Serenity Point Counseling Services staff reported to the undersigned officer Mr. Angel failed to report for drug testing the day before when his name was called. Mr. Angel admitted to the undersigned officer he did not report to Serenity Point Counseling Services for a drug test when his name was called on November 13, 2023, because he forgot.

The U.S. Probation Office respectfully recommends the Court to incorporate the violations contained in this petition in future proceedings with the violations previously reported to the Court.
